

Kinder Kicks & Mini Soccer

by Asia Pacific Soccer School

KINDER KICKS is a soccer play program for children from walking to 4 years old. Our professional coaches will teach a wide variety of exciting games in which students enjoy themselves while learning the basics about soccer. Each activity is designed to improve a young child's motor skills and social skills while having fun.

MINI SOCCER New to football and you want to learn some basic skills? Then this is the course for you. Learn good basic skills from professional coaches and build up your agility in the game. You will learn how to kick properly, pass the ball while stationary or while in motion, dribbling and many more skills. It's fun and easy for the young ones.
