

A ENGLISH C PLAYGROUP J

FUN LEARNING, GAMES AND PLAY

Patrick Calkins has been an English teacher in Hong Kong for the past five years, one year with Language Tree followed by four years at a primary school in Yuen Long. He's also a baseball coach at the school. Patrick is now retired and says that his favorite part of teaching are the toddlers. "I like the empty minds, I can sing songs with them and be silly. I like when we can create sock puppets and tell stories, before you know it, your little guy is speaking in English because it was fun to learn..." . Come and learn with Patrick and have some fun at the same time.
